

## **GAP ANALYSIS TOOLS**

USP Chapter 800 was published February 1, 2016 with a full implementation date of July 1, 2018. The Pharmacy and Drug Inspectors are currently inspecting to the June 2008 version of USP Chapter 797 and the January 2014 version of USP Chapter 795. There are several gap analysis tools available to assist with implementation of USP Chapters 800, 797 and 795. The following is a list of gap analysis tools Board staff is aware of and is not exhaustive nor do we recommend any particular tool. We welcome any feedback regarding these tools and any information on additional sites to add to the list.
