

KENTUCKY BOARD OF PHARMACY
Marriott Griffin Gate Resort
1800 Newtown Pike
Lexington KY 40511
November 4-5, 2011 (following Board Meeting on Nov. 4)

BOARD RETREAT

AGENDA

The Kentucky Board of Pharmacy serves the Commonwealth to promote, preserve, and protect the public health, safety, and welfare through effective regulation of the practice of pharmacy. The Kentucky Board of Pharmacy accomplishes this mission through the examination, testing, and credentialing of prospective pharmacists; regulation, discipline of all licensed pharmacists; and through appropriate communication of information and laws pertaining to the practice of pharmacy in Kentucky.

KENTUCKY BOARD OF PHARMACY
MARRIOTT GRIFFIN GATE RESORT
1800 NEWTOWN PIKE
LEXINGTON KENTUCKY 40511

BOARD RETREAT
NOVEMBER 4-5, 2011 (following Board Meeting on Nov 4)

AGENDA

ITEMS FOR DISCUSSION

1. "Pill Mills":
2. Prescription consolidation-if a prescription is received stating to dispense a quantity of 30 and has an indication of 5 refills can a pharmacist dispense a quantity of 90 and 1 refill remains without calling the practitioner
3. PBMs (audits/licensing): some states are beginning to have laws regarding audits performed by PBMs (Kentucky has a current law) and/or requiring licensure of the PBM by the Board of Pharmacy
4. Continued Professional Development: some states are beginning to require professionals to have continued professional development for renewing their license.
5. Intern Credit hours while on Clinical Rotations: can a pharmacist intern who is on clinical rotations during pharmacy school obtain intern hours while working in a pharmacy after their rotation is finished for that day
6. Pharmacy inducements: what should be done about pharmacy coupons and/or guarantee time for prescriptions
7. Expanded pharmacy practice: what requirements should there be for pharmacists to obtain expanded pharmacy practice?
8. Specialty Pharmacies within Institutions: today there are specialty pharmacies that are required to dispense compounded prescriptions to patients even if the patient is an in-patient.
