

## USP 797 REVISIONS

The Board of Pharmacy at its May 14, 2008 meeting requested that Board Inspectors begin educating pharmacists on the following topics contained in USP 797:

1. Certified ISO Class 5 Compounding Area(s) (PEC's) (USP 797; 201 KAR 2:076)
2. Certified ISO Class 7/8 Buffer/Ante Areas (USP 797; 201 KAR 2:076)
3. Buffer and Ante-Areas Appropriately Maintained (USP 797; 201 KAR 2:076)
4. Hazardous Drugs Stored Separately in Ante-Area (USP 797; 201 KAR 2:076)
5. Pressure Differential Monitored and Documented (USP 797; 201 KAR 2:076)
6. Hand Hygiene and Garbing Practices Observed (USP 797; 201 KAR 2:076)
7. Personnel Training and Competency Documented (USP 797; 201 KAR 2:076)
8. Daily Cleaning and Disinfection Practices Observed (USP 797; 201 KAR 2:076)
9. Monthly Cleaning and Disinfecting Documented (USP 797; 201 KAR 2:076)
