Continuous Professional Development Committee

KENTUCKY BOARD OF PHARMACY

MINUTES

Chris Harlow called the meeting to order at 1:00 p.m. on March 9, 2022. Members present: Ben Mudd; Julie Harting; Adrienne Matson; Craig Beavers; Meredith Figg and Katie Busroe. Staff present: Chris Harlow, Executive Director and Darla Sayre, Executive Staff Advisor.

Chris Harlow advised the Board at its August 31, 2021 meeting charged the committee with the following:

- Evaluate the current definition and national trends for Continuous Professional Development (CPD)
- Develop a specific strategy to incorporate CPD into CE
- Make a recommendation to the Kentucky Board of Pharmacy (KBOP) on implementation of CPD for pharmacists and pharmacy technicians

Election of Officers Craig Beavers nominated Adrienne Matson to serve as chairperson. Ben Mudd seconded, and the motion passed unanimously.

Discussion Adrienne Matson provided an explanation of continuous professional development. She advised that ACPE is looking at implementing CPD and has requested a representative appear before the committee. There is currently no national clearinghouse for CPD. Katie Busroe advised that other states have implemented this and found it to be cumbersome. Three other states found no interest in pharmacists using CPD. They continue to use continuing education.

Action: Adrienne Matson proposed to schedule a meeting when the representative from ACPE can be available to report on their findings and answer questions from the committee.

Adjournment Ben Mudd moved to adjourn. Craig Beavers seconded, and Adrienne Matson adjourned the meeting at 1:45 p.m.
