GENERAL COUNSEL UPDATE

KYPRN Contract Update General Counsel Eden Davis, presented the KYPRN updated contract that includes medications used in the treatment of alcoholism in addition to those used for opioid use disorder. There was discussion about adding language that an individual may request “guidance” about OTC medications verses asking permission to take OTC medications. The committee will review evidence-based research on these types of medications and the point was made that it is important to cite the sources of this guidance. The members also agreed that an individual should report OTC medication use upon taking the medication and in writing.

ADJOURNMENT Lisa Bradley made a motion to adjourn the meeting and Hannah Johnson seconded. The motion passed unanimously. The meeting adjourned at 9:38 am.
