

Creating an NABP e-Profile

An NABP e-Profile provides a centralized location to store career and compliance information in an easily accessible and secure platform. When preparing to register, have this information ready: legal name, profession, sex, race/ethnicity, date of birth, social security number, address, phone number, and any licenses.

To register for an e-Profile, follow this link: [NABP e-Profile](#) and the steps below:

- i. Once you have followed the link, select the box labeled “**Individual or Business Customers.**”
- ii. Select “**Create Login**”, underneath the Log In button.
- iii. Enter a valid email address to serve as your **Username** and follow the prompts to verify your account and create a **Password** that meets the specified requirements.
- iv. Upon successful completion of these tasks, select “**Go to Login**” to return to main login screen.
- v. Entering your new Username and Password will direct you to the NABP e-Profile dashboard.
- vi. Select “**Create Individual E-Profile**” to setup your account.
- vii. Choose your profession based on current status.
- viii. Enter personal information and contact details. Be sure to enter your name exactly how it appears on your government-issued ID.
- ix. Review your information for accuracy and accept the Terms and Conditions.
- x. Your new NABP e-Profile ID [**number**] will appear on the screen.
[***NOTE:** This number will be required on all Kentucky Board of Pharmacy license/registration applications in the future, Renewals and Initial.]
- xi. Select “**Finish e-Profile**” to fill in license/registration and education details.
