Inactive License Procedure Pursuant to [KRS 315.120](#) and [201 KAR 2:160](#)

Any pharmacist not currently holding an active pharmacist's license in another jurisdiction who does not desire to meet the qualifications for active license renewal shall, upon application, be issued an inactive license. Such license shall entitle the license holder to use the term "pharmacist," but the license holder shall not be permitted to engage in the practice of pharmacy. Pharmacists maintaining an active license to practice in another state or jurisdiction are not eligible for inactive status in Kentucky.

To apply for Inactive license from Active status:

- *Complete the Inactive application and pay the \$10 fee (via the Licensure Gateway)*
- *Complete an inactive renewal application for each continued year in inactive status and pay the annual \$10 renewal fee.*
