NOTE: When registering with NABP for testing, the name submitted is very important. It **MUST** match two forms of ID. One of these **MUST** be your driver’s license or passport. The second ID can be a valid credit card, driver’s license, passport, or military ID. But remember they **MUST** match exactly including first, middle and last names.

****Disclosure, regarding the Application Fee:** *Applicants for initial licensure as a pharmacist shall submit to a query to the National Practitioner Data Bank of the United States Department of Health and Human Services pursuant to 201 KAR 2:020 Section 6(1).
