

Procedures for Obtaining a Kentucky Pharmacist License via FPGEC

Upon completion of 1500 intern hours:

1. Register to take the NAPLEX and the MPJE.

- Go to the NABP website (<https://nabp.pharmacy>)
- Click on the NABP e-Profile Login on the upper right corner of the website. Those who have not yet obtained an e-Profile ID should register.
- Click on the “Customer” tile
- Click on the “Log In as an Individual” button
- Click on the “Exam Services” tile
- Respond to the questions including the jurisdiction to which they are applying
- If ADA accommodations are requested, the forms should be uploaded when prompted.
 - *NOTE: all individuals requesting ADA accommodations must submit their forms when prompted regardless of if they previously tested with ADA accommodations. The individual may submit the same forms previously submitted for the PCOA if the signature on Part II is current (within the past 3-5 years) and there is no change to the requested accommodation.
- The fees for the exam have not changed. The examination fees total \$910 for both the NAPLEX and MPJE in the same jurisdiction. The fees are outlined as follows:
 - \$100 application fee for NAPLEX
 - \$100 application fee for MPJE
 - \$85 eligibility fee that covers both exams if taken in the same jurisdiction
 - \$475 exam fee for NAPLEX
 - \$150 exam fee for MPJE

Individuals will not be made eligible nor will they receive an Authorization To Test (ATT) until all required documentation has been received and evaluated. **All questions regarding eligibility should be directed to NABP at help@nabp.pharmacy or exameligibility@nabp.pharmacy .**
